REPORT AND RECOMMENDATIONS¹

This case came before the Court for a plea hearing on October 26, 2021. Assistant United States Attorney DeMarr Moulton appeared and represented the Government, and Tamara Sack appeared and represented Defendant. Defendant was present with counsel.

Prior to the hearing, the parties entered into a proposed binding plea agreement pursuant to Fed. R. Crim. P. 11(c)(1)(C), which agreement has been filed of record. (Doc. #21). Under the terms of the plea agreement, Defendant agreed to plead guilty as charged in the Superseding Information currently pending against him, which charges him with possession with the intent to distribute 40 grams or more of a mixture or substance containing a detectable amount of fentanyl, a Schedule II controlled substance, in violation of Title 21 U.S.C. §§ 841(a)(1) and (b)(1)(B).

During the plea hearing, the undersigned had the opportunity to address Defendant in open court and to inform Defendant of all rights and privileges as set forth in Fed. R. Crim. P. 11(b)(1). Further, the undersigned carefully inquired of Defendant regarding his understanding of the agreement, as well as his competence to understand the agreement. Having fully inquired, the

¹ Attached is a NOTICE to the parties regarding objections to this Report and Recommendations.

undersigned Judicial Officer finds that Defendant's tendered plea of guilty as charged in the Superseding Information was knowing, intelligent, and voluntary. Additionally, based upon the statement of facts, which were read into the record and affirmed by Defendant, the undersigned finds that there is a sufficient factual basis for finding that Defendant is in fact guilty of possession with the intent to distribute 40 grams or more of a mixture or substance containing a detectable amount of fentanyl, a Schedule II controlled substance, in violation of Title 21 U.S.C. §§ 841(a)(1) and (b)(1)(B).

Based upon the foregoing, it is **RECOMMENDED** that the District Court accept Defendant's plea of guilty as charged in the Superseding Information currently pending against him and find him guilty as charged of possession with the intent to distribute 40 grams or more of a mixture or substance containing a detectable amount of fentanyl, a Schedule II controlled substance, in violation of Title 21 U.S.C. §§ 841(a)(1) and (b)(1)(B).

Pending the Court's acceptance of Defendant's guilty plea, Defendant has been referred to the Probation Department for a pre-sentence investigation and report.
